NERVOUS PROSTRATION.

You can't sleep; you feel tired, irritable, dizzy at times; have headache, backache, and are nervous and excitable. You are on the verge of nervous prostration, which means a general breakdown. Dr. Miles' Nervine will build up your nervous system to its natural strength, and all this misery will disappear. The first bottle will cost you nothing if it fails to help you.

It is a good thing to remember that a majority of your friends are your friends because of much they don't know.

German Prince Try For Roosevelt Cup

GERMAN CROWN PRINCE'S YACHT ANGELA

CROWN PRINCE WILLIAM

The announcement last week that the German Crown Prince will send his new yacht, Angela II, to this country to compete for the Roosevelt Cup late this Summer has excited a lively interest in American small craft yachting circles.

The announcement, which came by cable, was the first information that has come from abroad as to who will represent Germany in the international races for small boats.

The Crown Prince probably will not come to this country with his boat, as a ban had previously been put on his desires to cross the ocean.

It is significant that before the races were arranged the Angela II was designed, and in arranging the rules for the contests the Kaiser requested that they conform to a scale which is exactly on the new boat's lines. She is thought to be very fast, and undoubtedly will prove a formidable contender for the cup.

To capture the Roosevelt Cup with one of the three German boats which will come to this country to try for it is a cherished hope of the Kaiser, but a victory with his son's yacht would certainly please him more.

The races will be sailed in September off Marblehead, Mass.

BASEBALL GAMES LACK INTEREST

LEAGUE GAMES ARE GETTING ON A PAR WITH CRICKET AND SOCCER IN POINT OF INTEREST

Two games of baseball and not enough excitement to draw a crowd and hold it. There may have been twenty people at the games on Saturday but the gate keeper has his doubts. Where did they go? Why to Makiki to see a little excitement where the cricket game was going on.

It is getting something fierce and unless the league perks up and hands the fans a better assortment of games there will not be any fans, and without fans there will be no games. Something had better be done and done quickly.

For the first time this season the dope didn't work out for the Kams romped home with the games beating the erstwhile league leaders by a score of 5 to 4. There was nothing doing with the Oahu. They made four errors and made them when they should have caught them standing on their heads. And there also was Reuter in the best form he has shown this season, and he had whiskers on every ball that went across the plate.

Hampton pitched fairly good ball but allowed 9 hits. Once or twice they were hits to the far outfield that let in home runs.

It was misery and that is no josh.

The first game was bad enough but the second game was even worse. The Honolulu ran around that diamond as if they were training for the Marathon race for the championship of the world.

"Oh somebody kill somebody," shouted one fan and he had the right dope—a little something for excitement. Soccer beats baseball in excitement line every day.

Fenner couldn't pitch, no more could De Fries, and the Hons pounded them all over the lot.

The score reads like a funeral notice.
